This is the privacy notice of Buzz Panda Digital. In this document, "we", "our", or "us" refer to Buzz Panda Digital (a trading name of ForwardSEO Ltd).

We are company number 9784467 registered in England.

Our registered office is at 10 Mereworth Drive, Northwich, Cheshire, CW98WY.

Introduction

This privacy notice aims to inform you about how we collect and process any information that we collect from you, or that you provide to us. It covers information that could identify you ("personal information") and information that could not. In the context of the law and this notice, "process" means collect, store, transfer, use or otherwise act on information. It tells you about your privacy rights and how the law protects you.

We are committed to protecting your privacy and the confidentiality of your personal information. Our policy is not just an exercise in complying with the law, but a continuation of our respect for you and your personal information.

We undertake to preserve the confidentiality of all information you provide to us, and hope that you reciprocate.

Our policy complies with the Data Protection Act 2018 (Act) accordingly incorporating the EU General Data Protection Regulation (GDPR).

The law requires us to tell you about your rights and our obligations to you in regard to the processing and control of your personal data. We do this now, by requesting that you read the information provided at <http://www.knowyourprivacyrights.org>

Except as set out below, we do not share, or sell, or disclose to a third party, any information collected through our website.

1. Data we process

We may collect, use, store and transfer different kinds of personal data about you. We have collated these into groups as follows:

Your identity includes information such as first name, last name, title, date of birth, and other identifiers that you may have provided at some time.

Your contact information includes information such as billing address, delivery address, email address, telephone numbers and any other information you have given to us for the purpose of communication or meeting.

Transaction data includes details about communications to and from you and information about products and services you have purchased from us.

Technical data includes your internet protocol (IP) address, browser type and version, time zone setting and location, browser plug-in types and versions, operating system and platform and other technology on the devices you use to access this website.

Your profile includes information such as your username and password, purchases or orders made by you, your interests, preferences, feedback and survey responses.

Marketing data includes your preferences in receiving marketing from us; communication preferences; responses and actions in relation to your use of our services.

We may aggregate anonymous data such as statistical or demographic data for any purpose. Anonymous data is data that does not identify you as an individual. Aggregated data may be derived from your personal data but is not considered personal information in law because it does not reveal your identity.

For example, we may aggregate profile data to assess interest in a product or service.

However, if we combine or connect aggregated data with your personal information so that it can identify you in any way, we treat the combined data as personal information and it will be used in accordance with this privacy notice.

2. Special personal information

Special personal information is data about your race or ethnicity, religious or philosophical beliefs, sex life, sexual orientation, political opinions, trade union membership, information about your health and genetic and biometric data.

We do not collect any special personal information about you.

3. If you do not provide personal information we need

Where we need to collect personal data by law, or under the terms of a contract we have with you, and you fail to provide that data when requested, we may not be able to perform that contract. In that case, we may have to

stop providing a service to you. If so, we will notify you of this at the time.

2

The bases on which we process information about you

The law requires us to determine under which of six defined bases we process different categories of your personal information, and to notify you of the basis for each category.

If a basis on which we process your personal information is no longer relevant then we shall immediately stop processing your data.

If the basis changes then if required by law we shall notify you of the change and of any new basis under which we have determined that we can continue to process your information.

4. Information we process because we have a contractual obligation with you

When you create an account on our website, buy a product or service from us, or otherwise agree to our terms and conditions, a contract is formed between you and us.

In order to carry out our obligations under that contract we must process the information you give us. Some of this information may be personal information.

We may use it in order to:

- verify your identity for security purposes
- sell products to you
- provide you with our services
- provide you with suggestions and advice on products, services and how to obtain the most from using our website

We process this information on the basis there is a contract between us, or that you have requested we use the information before we enter into a legal contract.

We shall continue to process this information until the contract between us ends or is terminated by either party under the terms of the contract.

5. Information we process with your consent

3

Through certain actions when otherwise there is no contractual relationship between us, such as when you browse our website or ask us to provide you more information about our business, including job opportunities and our products and services, you provide your consent to us to process information that may be personal information.

Wherever possible, we aim to obtain your explicit consent to process this information, for example, by asking you to agree to our use of cookies.

If you have given us explicit permission to do so, we may from time to time pass your name and contact information to selected associates whom we consider may provide services or products you would find useful.

We continue to process your information on this basis until you withdraw your consent or it can be reasonably assumed that your consent no longer exists.

You may withdraw your consent at any time by instructing us at Cathy@buzzpandadigital.co.uk. However, if you do so, you may not be able to use our website or our services further.

6. Information we process for the purposes of legitimate interests

We may process information on the basis there is a legitimate interest, either to you or to us, of doing so.

Where we process your information on this basis, we do after having given careful consideration to:

- whether the same objective could be achieved through other means •

whether processing (or not processing) might cause you harm

- whether you would expect us to process your data, and whether you would, in the round, consider it reasonable to do so

For example, we may process your data on this basis for the purposes of:

- record-keeping for the proper and necessary administration of our business

- responding to unsolicited communication from you to which we believe you would expect a response
- protecting and asserting the legal rights of any party

4

- insuring against or obtaining professional advice that is required to manage business risk
- protecting your interests where we believe we have a duty to do so

7. Information we process because we have a legal obligation

Sometimes, we must process your information in order to comply with a statutory obligation.

For example, we may be required to give information to legal authorities if they so request or if they have the proper authorisation such as a search warrant or court order.

This may include your personal information.

Specific uses of information you provide to us

In posting personal information, it is up to you to satisfy yourself about the

privacy level of every person who might use it.

We do not specifically use this information except to allow it to be displayed or shared.

We do store it, and we reserve a right to use it in the future in any way we decide.

5

Once your information enters the public domain, we have no control over what any individual third party may do with it. We accept no responsibility for their actions at any time.

If you complain about any of the content on our website, we shall investigate your complaint.

If we feel it is justified or if we believe the law requires us to do so, we shall remove the content while we investigate.

Free speech is a fundamental right, so we have to make a judgment as to whose right will be obstructed: yours, or that of the person who posted the content that offends you.

If we think your complaint is vexatious or without any basis, we shall not correspond with you about it.

If we employ you, we collect information about you and your work from time to time throughout the period of your employment. This information will be used only for purposes directly relevant to your employment. After your

6

employment has ended, we will keep your file for six years before destroying or deleting it.

12. Communicating with us

When you contact us, whether by telephone, through our website or by e-mail, we collect the data you have given to us in order to reply with the information you need.

13. Complaining

When we receive a complaint, we record all the information you have given to us.

We use that information to resolve your complaint.

If your complaint reasonably requires us to contact some other person, we may decide to give to that other person some of the information contained in your complaint. We do this as infrequently as possible, but it is a matter for our sole discretion as to whether we do give information, and if we do, what that information is.

We may also compile statistics showing information obtained from this source to assess the level of service we provide, but not in a way that could identify you or any other person.

14. Affiliate and business partner information

This is information given to us by you in your capacity as an affiliate of us or as a business partner.

It allows us to recognise visitors that you have referred to us, and to credit to you commission due for such referrals. It also includes information that allows us to transfer commission to you.

7
